IMPORTANT TIPS TO REMEMBER:

- ☐ **Don't forget to include your articulated soft tissue model.** Send a bite with the case to ensure articulators do not break during transit.
- ☐ **DO NOT INCLUDE** die hardner, impressions, or dies with undercuts.
- ☐ Air bill labels should read: **ATTN. Scan and Design.**
- ☐ Fill out all aspects of the RX form completely. If left blank, default values highlighted in **RED** will be used.
