

WHY USE MULTIPLE SUPPLIERS FOR ONE CASE?

Complete your case in **one place.**

Argen's advanced engineering and **state-of-the-art manufacturing** produces precise, industry-leading tolerances between the implant and the abutment. Our **FDA-cleared** proprietary process **ensures an optimal fit every time**, providing you with a warranty-backed quality solution for all implant restorations as well as complete peace of mind. Argen offers a quick **two-day turnaround** and **competitive pricing** so you can deliver the best value and service to your doctors.
